

Over £30

Heritage board from the Original Surfboard Company, £29-£39

Sally Parkin longed for the surf bodyboards of yore: no fancy Styrofoam, just good old-fashioned wood to ride the waves. Now, she's teamed up with a Devon craftsman and selling traditional boards, with a few modern twists. Choose from a natural wood look or bright colours in heavy-duty yacht paint. For a bit extra, you can personalise it.
